dress code

The dress code for the 2011 Annual Meeting is business casual/casual.

As states government continues to weather these challenging times, there's never been a more important time to share ideas, experiences and lessons learned. State government HR professionals have been challenged with supporting state governments most important asset – its employees – while providing that support through different and more efficient delivery models.

The NASPE 2011 Annual Meeting provides a great opportunity to network with other state government HR professionals and to hear the real story states have faced as they balance the tough fiscal times with the needs of an evolving state government workforce. Following is the preliminary agenda that features roundtable discussion, panels, and presentations on the hot topics of the day – knowledge management, government's use of social media, healthcare benefits trends, and leadership strategies for challenging times.

More detailed information about this meeting, including session descriptions and hotel and travel information can be found on the NASPE website at www.naspe.net. We look forward to seeing you in **New Orleans, July 16-20**, as we talk HR and All That Jazz!

*Please note this is a preliminary agenda subject to change.
All events are held at the Royal Sonesta Hotel unless otherwise noted.*
